

Albert Village

Nursery

Sunscreen Policy

Albert Village Nursery understands the need to protect children, staff and volunteers from the harmful effects of the sun.

In order to do this we:

- Ask parents/carers to apply sun cream before their child attends a nursery session.
- Ask parents/carers to put a labelled sun block in their child's bag for further application if applicable. To be applied by staff. This is for full day children only.
- Ask parents/carers to provide a sun hat to be kept in nursery and ensure their child is dressed appropriately for the outdoors. Please label all belongings.

In order to do this we will:

- Provide fresh drinking water accessible when outside at all times.
- Where possible provide a shaded area.
- In extreme heat limit the free flow outdoor play time.
- Provide spare sunhats.
- Encourage the more able children to reapply sun cream.
- Encourage the children to sing our 'sunshine' song.

Sunshine Song

Slip on a shirt,
Slap on a hat,
Slop on some sun cream.

Walking or playing, garden or shop, please don't forget to
Slip!, **Slap!** and **Slop!**

Please complete the permission slip below in order for staff to reapply suncream on your child if applicable.
