Admissions Policy for the school year 2026 - 2027

Albert Village Primary School is a school within Rise Multi Academy Trust. All admissions to the school are coordinated through Leicestershire admissions authority.

In formulating this admissions policy, the Governors consulted with the trustees of RISE, local academies, Leicestershire County Council and the governing bodies of local community and voluntary controlled schools for which the Local Authority is the admission authority.

This policy is reviewed by the Local Governing each spring in line with the legal timelines for admissions. The review will go out for consultation every 7 years unless changes need to be made any earlier.

The School Admissions Code (2015) and the School Admissions Appeals Code (2012) can be found below:

<https://www.gov.uk/government/publications/school-admissions-appeals-code>

Albert Village Primary School serves the catchment area shown in the attached map - Appendix A.

The admissions authority will set a planned admission number (PAN) which indicates the number of places available within the year(s) of entry. This information will explain how places will be allocated until the PAN is reached. The decision will be to refuse all applications that would lead to admission of pupils above PAN

Our planned admission number (PAN) for 2026 – 2027 is 30 pupils.

Our designated catchment area does not prevent parents who live outside this area from expressing a preference for our school. In the event of insufficient places being available, places within a particular year group will be allocated in line with the criteria listed as 1-6 below. Entitlement to a place in the school is dependent on the parents applying at the appropriate time and (for infant submissions) on compliance with infant class size regulations (2). If a child moves into the school's designated catchment area once allocation decisions have been made, they will not be offered a place in the school if the planned admission number for that year has been reached but will have the right to appeal.

Applications for places for children starting school for the first time need to be registered by completing the on-line Local Authority common application form available from the council you live in.

If you live in Leicestershire - www.leics.gov.uk/admissions the Local Authority's common on-line application form must be completed by **15th January for children starting school for the first time.**

Parents will be notified by Leicestershire admissions if a place is to be offered. The closing date for Local Authority applications and the notification of the decision are in accordance with the Co-

Working our way to wisdom; learning our way for life.

ordinated Admissions Scheme (3). Late applications will not be offered a place within the school if the infant class has 30 pupils, regardless of distance to the next nearest available school. Any application received after the closing date will be treated as a mid-term application and places will be allocated according to the school's admissions criteria and planned admission number (PAN) for that year.

Parents may seek a place for their child outside their normal age group, for example, if the child has experienced problems such as ill health or if they are moving from overseas and their child has not been educated in the English school system. Parents should contact the Headteacher to discuss any such requests with all the relevant information taken into account. Parents may also wish to submit other information in support of their request; for example, from professionals who have worked with their child. Each request will be looked at on an individual basis with any decisions taken according to what is considered to be in the child's best interests. This would be called a delayed start.

In addition, the parents of a summer born child (those born from 1st April to 31st August) have the right to choose not to send that child to school until they are of compulsory school age. In this case the child would have to start school during the same academic year for which they have been accepted and not beyond the beginning of the start of the final term. Parents should discuss this with the Headteacher. This is called a deferred entry start.

For delayed entry the following process should be followed in order:

a) Parents should make the request to Leicestershire LA and the school as the admitting authority by 15th January stating their request in their application for the chronological year group. This will provide time for requests to be processed, and where a request is not agreed, for the family to be assured their chronological application will be processed as a normal on time application.

b) Parents should submit to the admitting authority their reasons for wishing to delay applying for a school place. This should include confirmation of agreement to the proposal from the Headteacher. On receiving the supporting evidence, and on the recommendation of the Headteacher, Leicestershire LA will write to the parent to agree that the application can be processed for the following year. However, the letter will highlight the potential risks / impact of this delay which include:

i) Whilst the school has agreed to the delay, there is no guarantee that the child will be allocated a place at that school the following year;

ii) Should it not be possible to allocate a place at the school the following year, the Local Authority will make every effort to allocate a Reception place and will expect the parent to take up a place in reception immediately if available, or make an application for a place in Year 1. However, it may not be possible to do this. Decisions on which year group a child is admitted to are taken by a school's admission authority; this is not always the local authority and the admission authority of alternative schools may not be in agreement with delayed entry.

iii) Attention will also be drawn to the fact that when the child moves to a different school (eg primary to secondary, or to a different school due to a house move) that the admission authority of the new school will be responsible for deciding which year group the child will be placed in. This could result in a child being required to 'skip' a year.

c) If the request is not agreed, the parent will receive a letter detailing the reasons why.

d) A copy of the letter sent to the parent will be sent to the Headteacher.

Working our way to wisdom; learning our way for life.

e) The parent may still change their mind regarding delayed entry by a whole school year, and submit an application in the normal way. If an application is received, then the parent's previous request to delay until the following year would no longer apply.

This will offer the following options to the parent:

- i) Their child starts school in the September following their 4th birthday;
- ii) They can consider deferring the child's start date in Reception until later in the school year;
- iii) They can discuss part-time arrangements with the allocated school, as detailed above.

f) A parent who chooses to delay entry by a whole school year will need to apply for a school place in the admissions round for the following year in the normal way. Their application will then be considered in exactly the same way as all others submitted during that application year.

If a parent who has applied by the closing date given by the Local Authority later changes their mind and wishes to defer/delay their child's entry to Reception, they should discuss this and other options with the Headteacher. Requests to defer/delay will not be agreed if the only reason is that a place has not been offered at one of the preferred schools.

These applications for admission outside normal age group will be considered alongside all other applications in accordance with the Local Authority coordinated admissions scheme. Parents have a statutory right to appeal against the refusal of a place at the school for which they have applied. This right does not apply if they have been offered a place at the school but it is not in their preferred age group.

Children with an Education, Health and Care Plan (EHCP or Statement of Special Educational Need) naming the school will be admitted even if this means exceeding the agreed PAN. Otherwise, when there are more applications than there are places available, the governors will admit pupils according to the following criteria which are listed in order of priority. If there are fewer applications than places, then no application is refused.

If there are too many requests, priority will be given to children whose parents applied on time, in the following order:

1. A child who is 'looked after (4)' or 'previously looked after.' Previously looked after children are children who were looked after, but ceased to be so because they were adopted or children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted (5) or became subject to a residence order (6) or special guardianship order (7).
2. Pupils who have a serious medical condition or exceptional social or domestic needs. (Professional documentation accompanying the application will be required). Examples of exceptional needs include:
 - *A child whose parent's occupation has an enforcement role which may bring the parent into conflict with parents of children attending their local school and therefore needs to attend the alternative school.*
 - *A child whose parent has recently died or is suffering from a serious illness.*

Working our way to wisdom; learning our way for life.

- *A child who has suffered severe bullying which is recognised by the present or most recent school as an ongoing problem and which is having significant effect on the child's health.*
- *A child with a serious medical condition which would make the preferred school particularly suitable*
- *A child who has been abused and placed on the child protection register and who needs to attend an alternative school to avoid the abuser*

This list is not exhaustive, and each case will be considered on its individual merits.

3. Pupils who will have a sibling attending the school at the time of admission (8).
4. Children of serving staff at the school where the member of staff has been employed at the school for two or more years at the time of application.
5. Pupils who live in the designated catchment (See map at appendix A). The child's place of residence is taken to be the place where the child permanently and/or normally resides. If a child has 50:50 living arrangements with their parents the catchment home will be used for admission to the school.
6. Pupils who live outside the designated catchment.

Where there are more applications than places available, places will be allocated within that particular criterion (as listed above) by a method of measuring the distance from the school. This measuring service is provided by Leicestershire County Council, and pupils will be allocated places in order from the nearest to the school to the furthest. If distances are exactly the same, lots will be drawn and supervised by an independent person.

The school has the right to withdraw the offer of a place if:

1. An error has been made.
2. The place has been obtained by fraudulent means.
3. A parent does not respond to an offer in the time specified.

This is regardless of numbers in the school and whether or not other requests have been refused.

In-Year (mid-term) Transfers

All mid-term transfer requests (in-catchment included) will be coordinated through the Leicestershire admissions authority. Parents should make an application to www.leics.gov.uk/admissions

Before applying, parents are encouraged to arrange a visit to the school.

Waiting Lists

A waiting list will NOT be maintained at the school, as for all admissions it is always necessary to complete a Local Authority Common Application form or a Mid-term Application form to apply for a school place. Offers of places will be made by the Local Authority on the school's behalf.

If the school is oversubscribed for children due to start in September a waiting list will be maintained by the Local authority. The position on the list will be determined by applying the published priority criteria and not by date of receipt. Each name added will require the list to be re-ranked. The existence of a waiting list does not remove the right of appeal against any refusal of a place from any

Working our way to wisdom; learning our way for life.

unsuccessful applicant. Names will only be removed from the list if a written request is received, or if the offer of a place that becomes available is declined. The waiting list will shut down on 31st December in accordance with statutory requirements.

Looked after children and previously looked after children as defined within this policy, children who are the subject of a direction by a local authority or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over any child on the waiting list.

Appeals

If a place is not offered parents/carers' have the right to appeal. Appeals should be made via: <https://www.leicestershire.gov.uk/education-and-children/schools-colleges-and-academies/school-admissions/appeal-a-school-place-and-check-waiting-lists-online>

For reception children starting school appeals must be made by 23rd May on the relevant form, and appeals will be heard during the summer term, within 40 school days of this date.

Appeals lodged after this deadline, like appeals for in-year admissions, will be heard within 30 school days of the appeal being lodged. In all cases, appellants will receive at least 10 days' written notice of the appeal hearing. Applicants may submit additional evidence in writing by 12 noon the day before the hearing. Decision letters are sent to the school and appellant within 5 days of the hearing.
