Jet Class newsletter, Summer term 1

It's our last half term in year 2! This year has gone so fast...we still have plenty to fit in though.

Mr Stratton

Keep in contact

Please do come and chat to me at the end of the day if you ever have any questions or comments - I'm almost always there on the doorstep and ready to talk. You can also get in touch by emailing either the office or me, or by phoning the office. If you need to report an absence or pick your child up early, please call the office. This is the most reliable way to get a message to us during the day.

Home learning

There is no formal homework in year 2. However, we do expect children to:

- Read at least 3 times per week, and record these in their reading logs.
- Practise the spellings that are sent home every Friday.
- Go on Numbots at least 3 times a week for 10 minutes.
- This term, we will be doing an arithmetic quiz each Tuesday. We will send these home once they have been marked, so you can look over them with your child and support them with their learning. If you ever have any questions about methods, please get in touch. I'd be more than happy to support.

Reminders

- The school doors are open from 8:45 until 8:55 each morning. We do start learning immediately on getting into school, so please try to arrive as close to 8:45 as possible.
- Please ensure that your child wears their full school uniform every day, and that they wear PE kit on their PE days. They should wear either their school jumper, cardigan, or a plain black or navy hoodie over their PE kits. Please make sure all their clothing is named.

- Please send your child with a water bottle every day.
- The children in Key Stage 1 receive free fruit every lunchtime. As such, we do not allow them to bring their own snacks for break time.

Days and dates

- Our class PE days are Thursday and Friday this half term

Our learning this term

English - we will be writing recounts and diaries about the Great Fire of London. We will also have fun looking at different types of poetry.

Maths - We will keep learning to tell the time, moving on to statistics (pictograms, bar graphs and tally charts) and directional language.

PE - We will keep working on athletics to build up to sports day. We will also learn about striking and fielding games (e.g. rounders or cricket.)

History - we will learn about the Great Fire of London and then about the Space Race.

Science - we will learn about plants, their parts and what they need to grow.

RE - We will finish up learning about "Who is a Muslim and what do they believe?", then we will move on to learn about special places in different religions.

PSHE - we will be learning about "Being my best", including the importance of keeping clean and healthy, and basic first aid.
