

ALBERT VILLAGE COMMUNITY PRIMARY SCHOOL

Breakfast Club - Information

Albert Village School runs a breakfast club open to pupils in Reception up to Year 6. It is run by school staff and the children who attend really enjoy it. We can cater for up to 20 pupils each morning. Children are offered a choice of breakfast cereal or toast with squash to drink.

There are various activities ranging from colouring to hula hoops and table football or table tennis. At 8.45am the children are escorted to their classrooms when school starts.

Payment for breakfast club is required in advance by lodging money on your child's Arbor breakfast club account. Card payments are accepted, as are payments via the Government's tax-free childcare accounts.
